

## Johns Hopkins Selects Workday as Part of Sightline Business Modernization Program

*Workday to Modernize HR and Finance Processes Across the Johns Hopkins University and Health System*

PLEASANTON, Calif., Jan. 8, 2025 /PRNewswire/ -- [Workday, Inc.](#) (NASDAQ: WDAY), a leading provider of solutions to help organizations manage their [people](#) and [money](#), today announced that [Johns Hopkins](#) selected [Workday Human Capital Management \(HCM\)](#), [Workday Financial Management](#), [Workday Supply Chain Management \(SCM\) for Healthcare](#), and [Workday Grants Management](#).

Johns Hopkins is a nonprofit organization comprising the Johns Hopkins Health System and Johns Hopkins University. Workday – with AI at the core of its platform – will replace Johns Hopkins' decades-old enterprise resource planning (ERP) system with a modern, cloud-based platform. Workday will bring together finance, workforce, and operations data in an intuitive, unified system.

"Workday understands the unique challenges higher education and healthcare organizations face, and our solutions are designed to help institutions like Johns Hopkins be flexible, run efficiently, and grow in the future," said Michael Hofherr, senior vice president and group general manager for industry, Workday. "We are honored to support Johns Hopkins in their transformation journey and look forward to helping them create better experiences for faculty, staff, and students."

The Johns Hopkins [Sightline](#) program aims to enhance data governance and quality, improve data access and visualization, support compliance, and streamline processes for the university and health system.

### Forward-Looking Statements

This press release contains forward-looking statements including, among other things, statements regarding Workday's plans, beliefs, and expectations. These forward-looking statements are based only on currently available information and our current beliefs, expectations, and assumptions. Because forward-looking statements relate to the future, they are subject to inherent risks, uncertainties, assumptions, and changes in

circumstances that are difficult to predict and many of which are outside of our control. If the risks materialize, assumptions prove incorrect, or we experience unexpected changes in circumstances, actual results could differ materially from the results implied by these forward-looking statements, and therefore you should not rely on any forward-looking statements. Risks include, but are not limited to, risks described in our filings with the Securities and Exchange Commission ("SEC"), including our most recent report on Form 10-Q or Form 10-K and other reports that we have filed and will file with the SEC from time to time, which could cause actual results to vary from expectations. Workday assumes no obligation to, and does not currently intend to, update any such forward-looking statements after the date of this release, except as required by law.

Any unreleased services, features, or functions referenced in this document, our website, or other press releases or public statements that are not currently available are subject to change at Workday's discretion and may not be delivered as planned or at all. Customers who purchase Workday services should make their purchase decisions based upon services, features, and functions that are currently available.
